THE STOIC COLLECTION — BOOK 1

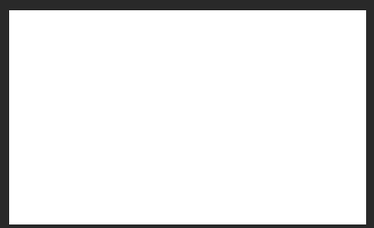

Stoic Foundations

A guided workbook that installs judgment, control,
and assent on ordinary incidents — not slogans.

SEE → SORT → OWN → CHOOSE → REVIEW is the Collection method. It is a publishing framework, not an ancient slogan.

Not a quote anthology. Not a blank journal.
Not Book 2 shadow work.

Series: The Stoic Collection
Book 2: Stoic Shadow Work Journal
Author / Imprint: UnlovedProductions
