THE STOIC COLLECTION — BOOK 2

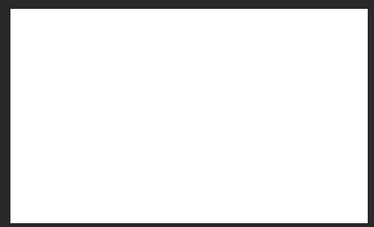

Stoic Shadow Work Journal

A guided workbook for facing avoidance, self-deception,
and repeating patterns without clinical trauma framing.

Use the permanent method: SEE → SORT → OWN → CHOOSE → REVIEW.
Write on the page. Drill the signatures. Keep what works.

For readers who want Stoic practice that stays practical,
honest, and usable under pressure — not slogans.

Series: The Stoic Collection
Book 1: Stoic Foundations
